If you do not elect out of withholding, federal income tax will be withheld at the rate of 10% from your total IRA distribution amount, unless you indicate a higher percentage below (federal and state tax withholding combined cannot total more than 100%). If you made nondeductible contributions to your IRA, this may result in excess withholding from your distributions. If you elect not to have withholding apply to your distributions or if you do not have enough federal income tax withhold from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. By signing this form, you:

- Authorize and request National Financial Services LLC ("NFS") to make the above distribution from the IRA indicated above.

- Represent that, to the extent you have requested a distribution due to disability, you meet the meaning of disabled, as indicated in IRC Section 72(m)(7).
- Confirm, if you are not a U.S. person (including a resident alien individual), you have previously submitted IRS Form W-8BEN.
- Certify that you have carefully read, fully understand, and agree to comply with the Customer Instructions and Terms and Conditions, including the Notice of Withholding attached to this Premiere Select IRA One-Time Distribution Request.

Premiere Select® IRA One-Time Distribution Request

Customer Instructions and Terms and Conditions

Read these Instructions and Terms and Conditions carefully before completing and signing the attached form. You are responsible for complying with IRS rules governing IRA distributions, including required minimum distributions and substantially equal periodic payments. If you fail to meet any IRS requirements regulating IRA distributions, you may be subject to tax penalties. If you have any questions regarding your specific situation, consult with a tax advisor.

The attached form should be used to request a one-time distribution from a Premiere Select Traditional, Roth, Rollover, SEP or SIMPLE IRA, IRA Beneficiary Distribution Account (BDA), or Roth IRA BDA, referred to as "IRA" or "account," held through National Financial Services LLC ("NFS")

If you wish to request a distribution from more than one IRA, you must complete a separate form for each IRA.

Distributions made in cash will be paid from the balance of your core account investment vehicle ("core account"). It is your responsibility to ensure there are sufficient funds available in the core account to process the distribution. If there are insufficient funds available in the core account, the distribution will not be processed.

For full distributions, a \$125 termination fee and a final year annual maintenance fee, if applicable, as described in your Premiere Select Retirement Account Customer Agreement or in some other manner acceptable to the Custodian, if applicable, will be collected from the final distribution amount. If you request a distribution that will result in an account balance that is less than the amount of any fees due, which include the liquidation/termination fee and the annual maintenance fee, for a particular year, NFS may instead process a full distribution of your entire account balance and collect the applicable fees at that time. Note that this could result in a payment amount that is less than the amount requested due to the payment of the applicable fees. In addition, your account may be closed.

If you have any questions, consult your Broker, Financial Advisor, or Investment Professional ("investment representative").

Completing the Form

Write the IRA account number in the boxes in the upper right-hand corner of the form.

1. Account Owner

Complete this section as appropriate.

2. Distribution Request

Future Process Date - Optional

You may specify a future process date for this distribution request (available for distributions in cash ONLY). For partial distributions, the future process date can be up to six months from the date the request is submitted EXCEPT for Return of Excess (ROE) contributions, which are limited to seven business days from the date the request is submitted. All full distributions are limited to seven business days from the date the request is submitted.

Note: The future process date cannot cross years; for an ROE of a prior year contribution, it cannot go beyond the tax filing deadline (typically October 15); and for individuals who are under age 59½, it cannot be the date you turn age 59½ or beyond.

Reason for Distribution

Indicate the reason for your distribution to ensure appropriate tax reporting, choosing only one. If you do not make a selection, your reason for distribution will be either "Normal" or "Premature" depending on your age as determined by your date of birth on record except for distributions from a BDA which are processed as "Death Distributions." Note that if you are under 59½ and are taking a distribution for a qualified first-time home purchase (\$10,000 lifetime total), qualified higher education expenses, certain medical expenses or health insurance premiums, or substantially equal periodic payments, as

defined in Internal Revenue Code ("IRC") section 72(t), select the box for "Premature." You may wish to consult with your tax advisor regarding the tax implications associated with each Reason for Distribution choice.

If you are requesting a qualified Roth IRA distribution, the account must meet the IRS requirement of the 5-taxable-year period. This period begins on (a) the first day of the taxable year for which the first regular contribution is made to any Roth IRA you own or (b) if earlier, the first day of the taxable year in which the first conversion contribution is made to any Roth IRA you own.

If you wish to request a direct Rollover to an Employer-Sponsored Retirement Plan, you must sign this form and the distribution must be paid directly to the qualified plan for the benefit of the participant. Provide the plan information (your name, your account number with the plan, and the plan name) in the third-party payment method instruction. Sufficient details must be provided to allow the Employer-Sponsored Retirement Plan to apply the funds to your account.

If you wish to request a disability distribution, refer to section 72(m)(7) of the Internal Revenue Code (IRC) for more information.

If you have inherited IRA assets from a decedent and wish to take death distributions, you must first establish and transfer the assets to an IRA BDA or Roth IRA BDA as applicable, and then take the death distributions from the IRA BDA or Roth IRA BDA. If you are a spouse beneficiary and wish to transfer the decedent's IRA to your IRA, do not complete this form: You must complete a Premiere Select IRA Transfer Request for Spouse Beneficiary, which can be obtained from your investment representative. If you are a spouse beneficiary who has transferred inherited IRA assets to your own IRA and are required to take the decedent's year of death Required Minimum Distribution (RMD), you may take the RMD directly from your IRA after the transfer has been processed.

If you are under age 59½ and are taking distributions from your SIMPLE IRA before the expiration of the two-year period beginning on the date your employer makes the first contribution to your SIMPLE IRA, you may be subject to a 25% penalty.

If you wish to request a transfer pursuant to a divorce or separation of the IRA owner, do not complete this form. Contact your investment representative for additional instructions.

If you wish to request an IRA or IRA BDA Transfer of Assets (trustee-to-trustee transfer) to an IRA or inherited IRA/IRA BDA with another institution, do not complete this form. Contact your investment representative for additional instructions.

Distribution Instructions

For a distribution other than a Return of Excess Contribution, choose one of the three options listed (For a Return of Excess Contribution, refer to the Return of Excess Contribution section below):

A. Partial Distribution in Cash. The distribution will be paid from the balance in the core account. Provide a specific gross dollar amount to be distributed and select one payment method in the Payment Method section. If you want to gross up the distribution amount to include any federal and state tax withholding and any wire fee (as applicable), check the Gross Up box.

B. Partial Distribution In-Kind.* Provide the investment name(s), and share/unit amount(s) to be re-registered into a nonretirement brokerage account and provide the account number in the Payment Method section. If more space for investment information is needed, list the information requested on the form along with your name, account number and Tax Identification/Social Security number on a separate sheet of paper, sign and date it and attach it to the form. If you are requesting a partial distribution in kind of shares only, the value of the distribution will be grossed up to include any federal and state tax withholding. Tax withholding for distributions in kind will be withheld from the core account. If you are requesting a partial distribution of cash and shares, and would like to gross up the amount to include any federal or state tax withholding, check the Gross Up box.

C. Full Distribution.* (Distribution of your entire IRA Balance)

- For a full distribution that is to be made in cash from your core account, select one payment method in the Payment Method section.
- For a full distribution to be made in-kind, provide the nonretirement brokerage account number in the Payment Method section.
- * Note: Certain securities may only be issued in specified denominations.

3. Return of Excess Contribution

Do NOT use this form to correct an excess contribution to a SIMPLE IRA. Contact your investment representative for information on how to request a return of excess contribution to a SIMPLE IRA.

If you wish to correct an excess contribution by requesting a return of the excess contribution, plus any applicable earnings, provide the date on which the excess contribution was made, the tax year for which the excess contribution was made, and whether you are requesting the return of excess contribution before or after your tax filing deadline, including extensions for the year in which the excess contribution was made.

Contact your investment representative or tax advisor for information on how to determine the attributable earnings amount.

Redeposit as Current Year Contribution—Optional

If you wish to redeposit all or a portion of the excess contribution as a current year contribution,* you must specify the amount of the redeposit and the remainder to be distributed to you.** **Note:** The amount of the redeposit cannot exceed your current year allowable IRA contribution limit.

- *Any amount to be distributed and then re-deposited as a current year contribution will be reported on an IRS Form 1099-R (for the distribution) and IRS Form 5498 (for the contribution).
- **Payment will be made in accordance with the payment method selected in the Payment Method section and will be reported, less any wire fee, if applicable, on IRS Form 1099-R.

Note:

- You may be able to correct contributions to a Roth IRA by recharacterizing the Roth IRA contribution (and its earnings) to another IRA for the same tax year. Contact a tax advisor for more information on how to correct an excess Roth IRA contribution via repharacterization.
- If your employer makes a nondeductible contribution to your SEP-IRA, the excess amount is first treated as a regular annual IRA contribution and then to the extent the amount exceeds your annual IRA contribution limit, an excess occurs and can be corrected by requesting a return of excess contribution in this section of the form.
- A return of excess contribution (distribution) is not required if you are correcting the excess contribution by using the carry-over method of re-applying the excess contribution to subsequent tax years until the excess is depleted. Do not complete this form if you choose this option. Consult a tax advisor or your investment representative for more information.
- The amount of an excess contribution that is not distributed to you or applied to a subsequent year contribution by the tax filing deadline, including extensions, for the year in which the contribution was made, is subject to a 6% IRS penalty for each year that it remains in the IRA.
- Any applicable earnings distributed to you should be included as income in the year the contribution was made and may be subject to a 10% IRS early distribution penalty if you are under age 59½.
- If you elect to have federal and/or state income taxes withheld from
 the distribution, withholding will only apply (i) to the earnings that are
 specified if the distribution is processed prior to your tax filing deadline,
 including extensions, for the year in which the excess contribution was
 made, or (ii) to the entire amount of the distribution if the distribution is
 processed after your tax filing deadline, including extensions.

4. Payment Method

If no payment method is selected, the payment will be made by check to the mailing address of record. Skip this section if you are electing 100% tax withholding.

Some payment methods require that you have already established standing instructions for your IRA. To establish standing instructions, complete the Premiere Select Standing Payment Instructions form, which can be obtained from your investment representative.

If no payment method is selected, your cash distribution will be made by check and sent to your mailing address of record (1st Party Check described below).

A. Check Distribution

1st Party Check. Check will be paid and mailed to the name and mailing address of record. If you wish to use previously provided standing instructions, check the appropriate box.

3rd Party Check. If you want a check paid and/or mailed to a payee and/or address other than the mailing address of record, check this box. You may choose to use standing instructions already on file or you may provide Alternate Instructions for just this one distribution. Note that Alternate Instructions will not be added to your account for use in any future distribution requests.

Overnight Mail. If you wish to have the check mailed via overnight delivery, provide the carrier name and billing number and, for UPS only, carrier address.

B. Electronic Funds Transfer (EFT)

In order to send the distribution via EFT, the recipient bank must be a member of the Automated Clearing House.

If you would like the distribution to be deposited directly to your individually owned bank account (the IRA owner is an owner of the bank account), check this box. You must already have EFT standing instructions on the account. If the account does not currently have EFT standing instructions, a Premiere Select Standing Payment Instructions form must be completed.

C. Bank Wire

In order to send a distribution via Bank Wire, the recipient institution must be a member of the Federal Reserve System. A wire processing fee of \$15 will be deducted from the distribution amount indicated on this form, and will affect your reported distribution amount. For example, if you request a distribution of \$1,000, and you do not select the Gross Up option, both the distribution amount wired to your bank account and the distribution amount reported on IRS Form 1099-R will be \$985. The receiving bank may also charge a fee for the receipt of the Bank Wire.

D. Distribution to a Nonretirement Account

If you want cash or securities distributed in-kind to a nonretirement account, provide the nonretirement account number. An application must be completed to establish a new nonretirement brokerage account.

5. Notice of Withholding

Read carefully before completing the Tax Withholding Elections section of the form

Your IRA distributions, other than Roth IRA and Roth IRA BDA distributions, are subject to federal (and in some cases, state) income tax withholding unless you elect not to have withholding apply. Withholding will apply to the gross amount of each distribution, even if you have made non-deductible contributions. Moreover, failure to provide a U.S. residential address will result in 10% federal income tax withholding on the distribution proceeds even if you have elected not to have tax withheld (an IRS requirement as applicable). A Post Office Box or Personal Mail Box does not qualify as a residential address.

If you elect to have withholding apply (by indicating so on your distribution request, by making no choice, or by not providing a U.S. residential address), federal income tax will be withheld from your IRA distributions (excluding Roth IRA and Roth IRA BDA distributions) at a rate of at least ten percent (10%). Federal income tax will not be withheld from a Roth IRA or Roth IRA BDA unless you elect to have such tax withheld.

Your state of residence will determine your state income tax withholding requirements, if any. Refer to the list below. Your state of residence is determined by your legal address of record provided for your IRA. The information provided is general in nature and should not be considered legal or tax advice.

Whether or not you elect to have federal, and if applicable, state income tax withheld, you are still responsible for the full payment of federal income tax, any state tax or local taxes, and any penalties which may apply to your distributions. Whether or not you elect to have withholding apply (by indicating so on your distribution request), you may be responsible for payment of estimated taxes. You may incur penalties under the IRS and applicable state tax rules if your estimated tax payments are not sufficient.

If you are not a U.S. person (including a U.S. resident alien), you must have previously submitted IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding. To obtain Form W-8BEN, consult your tax advisor or go to the IRS website at http://www.irs.gov.
